

Gilead School Guitar Lessons: 2017-2018

We are planning on starting guitar lessons this year on **Friday October 13th**.

Guitar lessons are available to all students from grades 2nd - 12th and there is a **\$25 signup fee for each student**.

So if you're interested in your child attending guitar lessons this coming school year, please fill out the form below.

NOTE: Please make any checks payable to: Tim Buttles

If your child needs a guitar, we "may" have one for your child to use. These guitars, in many cases, can be given to the kids to take home and use throughout the year. We also can try to help you purchase a good inexpensive instrument if needed for your child.

Please note: We realize things come up and interests change. With that said, if after beginning lessons your child starts missing class on a regular basis and/or they show no desire to practice or review, they will no longer be able to participate in class as the other students will need to keep moving forward.

Any questions, please contact either Justin Perry or Tim Buttles
